BULLETIN

July 18, 2019

To All Members

Collective Bargaining

A special meeting of Council was held today for all Council Delegates and Affiliate Union Business Managers and Business Representatives to present the tentative collective agreement. I am pleased to announce that the Council members voted in favour of taking this agreement to the membership for a ratification vote.

Most, if not all, of your representatives returned to the workplace with copies of the tentative agreement for distribution. If more copies are required, please contact our office and arrange pick up.

A ratification vote will be held Wednesday July 31, 2019. Pre-voting for members with legitimate absences planned for voting day will be available. CF Metr and CFAD Rocky Point will have pre-voting arranged with Council Executive members.

Details of the voting times and location will be released very shortly.

In Solidarity,

**Des Rogers
President
FGDTLC (W)**
